

Reclaimed Court

Lou Carroll
ITGM 721 01
Spring 2016

After the fall of the modern world, nature eventually took its course, growing up wild and powerful to overtake structures that mankind once knew well. Here, the lush, overgrown jungle consumes an old basketball court that you've stumbled upon while exploring the old world. Be cautious, though, for the new residents of this place may not take kindly to your intrusion...
